WINTER SWIM TEAM

Jan. 4, 2012 – Mar 3, 2012

Mon & Wed & Fri*

4:45-5:45 p.m.

Course # **25776**

Cost \$150

There is a special price for swimmers who are participating on their High School Teams.

The Marion Diehl Winter Swim Team is a fun and great way to get into shape. The Swim Team is designed to increase swimmers Knowledge, Performance and Endurance in the four competitive swimming strokes. The Swim Team will participate in local swim meets (held on Saturday afternoons) and a Championship Meet. This will give swimmers the opportunity to have fun and compete in a low-pressure atmosphere. At the end of the season we will have a party and trophies and Swim Team T-shirts will be given to all swimmers. This is the best choice for a program where you are interested in competitive swimming, you want to give it a try or you want to be better but don't want the time and travel involvement of a year round team.

Requirements: Swimmers ages 4 – 18 years should be able to swim 25 meters continuously, enjoy learning, have a great attitude, like to swim, love to have fun and want to succeed!

* We urge swimmers to attend all practices but realize there are many other things involved in their lives
